Page 6, Part VII-B, Line 5(C) - Expenditure Responsibility Statements

Explanation:

It is the Foundation's policy that no further payments will be made to any grantee until all outstanding reports are received. The Foundation has determined that for those grantees no longer in existence and who have not provided timely reports, further action with respect to the grants would be futile. In other cases, the Foundation has made reasonable efforts to notify the grantees that they are in violation of their grant agreements and that grant funds are required to be returned to the Foundation. In those cases, the Foundation has also made reasonable additional inquiries with respect to return of the grant funds and has been unable as of yet to secure such return. The Foundation has determined that legal action with respect to these grant funds would in all probability not result in the satisfaction of execution on a judgment, and that the expense of legal action would not be justified by the likely results.

For each grantee with delinquent reports, expenditure responsibility statements are included in the Foundation's Form 990-PF for the year of each initial grant payment through the last year in which any report is received and three subsequent years. Thereafter, such grantees are no longer listed on the Form 990-PF but further payments will not be made to such grantees.

Definitions of Terms Used in the Expenditure Responsibility Statements

Grant Amount: Total payments made to the grantee through the end of the reporting date of the Form 990-PF.

Date of Grant: The date of the first payment of the grant.

Verification Date: The date of any independent verification of a grant report. The field is blank if no verification was performed.

Dates of Reports by Grantee: The dates the reports are received by the Foundation. There is an asterisk by the date if a report has been received but not yet approved by the Foundation. An expenditure responsibility statement for a grant continues to be included until all reports have been approved by the Foundation, subject to the statement above as to grantees with delinquent reports.

Accordingly, we respectfully request an extension of time to file to November 15, 2014.

Please note that the following title-holding companies are included with this extension:
